Words to watch for:

don't lunch knack often  
sitting fluff plush bang-up  
shun done goofy smashing  
your my I'm I'll what dwelling  
classy things poor nasty

# Bob the Snob

I'm Bob the snob,  
and I'm the best.

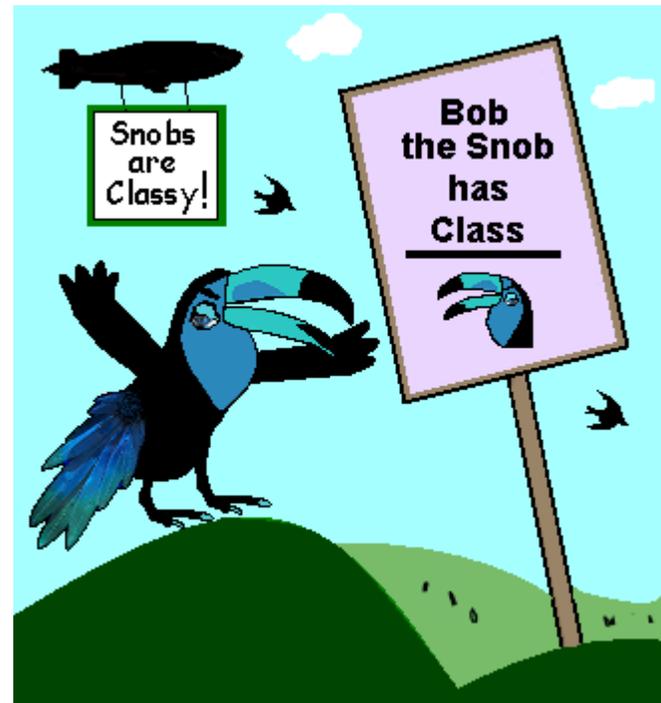

My dwelling rocks! In that I rest.

**But your shack, pal, it has a smell.**

**You lack my class. And I can tell.**

**My things are best. Your things are poor. I can't let you slip in my door.**

**So get!  
Be gone!  
We can't do lunch.**

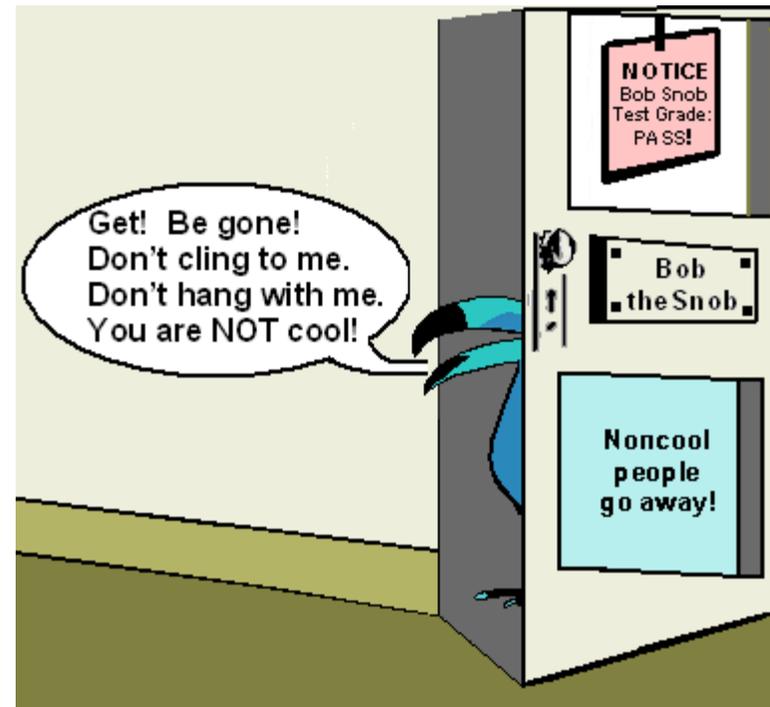

5

**You do not rank with my cool bunch.**

**You have no skills. Don't cling to me.  
Don't hang with me. Don't sing to me.**

**I'm Bob the snob, and I'm the best.**

6

I have the knack. I pass the test.

My pants have fluff!  
Your pants are rags.

Your pants  
have rips  
with big  
red tags.

Sitting with you, I often blush.

**I can't be by you. I'm just too plush.**

**I'm Bob the snob, and I'm the best.  
I have the knack. I pass the test!**

**A bang-up job, that's what I've done.**

**But you, my man,  
I have to shun.**

**Your pool is dull.  
My pool is slick.**

**And in your pool, I can get sick!**

I can't be with you.  
I am too cool!

So don't be swimming in my pool!

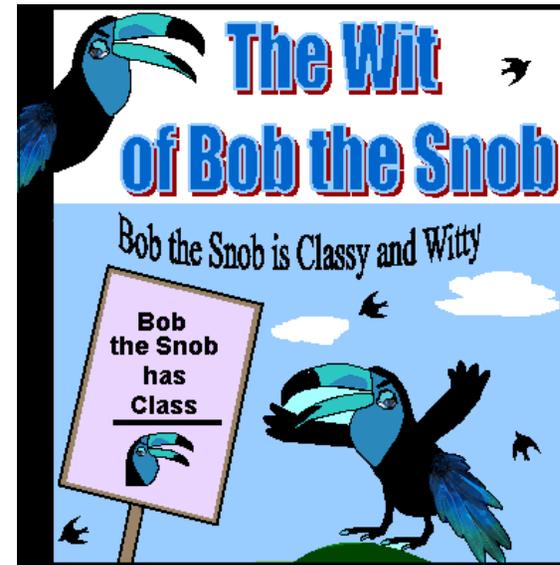

Your boots are goofy. 🙄  
My boots are classy.

My socks are fresh. 🙄  
Your socks are nasty.

I tend to think my looks are smashing.  
Don't stand by me, I'm just too dashing!

I'm Bob the snob, and when I walk,  
and when I skip, and when I talk,  
I have such wit! And you do not.

And if you run with me, I'll rot.
