SOUND OUT:

Cal	Cal's	boss
fig	figs	'til
pick	picks	sacks
cat	cats	bats
it	it's	tells

Cal's red rig is **oh**, so fun!

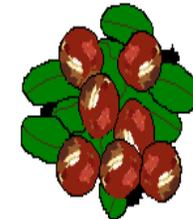

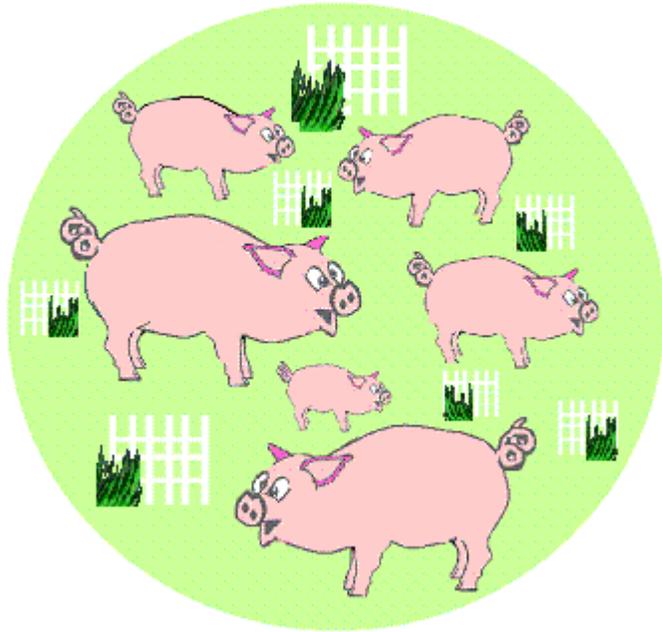

It's fun in fog.  
It's fun in sun.

Cal's rig picks up  
cats so big,  
'til **the** cats  
nap in his rig.

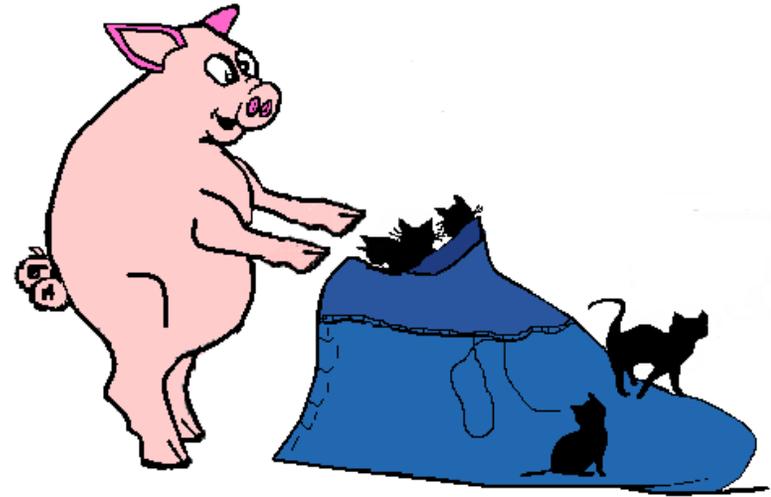

In **the** back **of** Cal's  
red rig is **a** box **of** fit,  
fat figs.

If **the** fat cats suck **the** figs,  
Cal's boss tells his pack **of** pigs.

**The** big, fat pigs **come** get **the** cats  
and tuck **the** cats **into** **some** sacks.

Cats in sacks get **oh**, so mad!

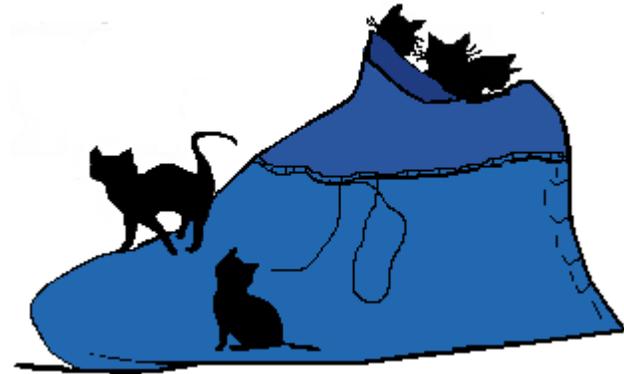

Cats in sacks? It's **oh**, so sad!

Cal's boss picks up racks **of** bats.

5

He **does** not pick up cats in sacks.
